

Franchise Value Proposition

There is something
unique about
Consult

Our people, our processes and our value propositions are aligned to ensure long-term financial success for clients and financial advisers. We achieve this while creating an environment that fosters growth, innovation, teamwork, and professionalism. Our franchise support model has been carefully designed to assist financial advisers in transitioning into the new world of financial advice. We want to become your partner in building a successful and sustainable advisory practice, fit for the future.

About Consult

Consult is a large and well-respected financial planning and advisory group that provides independent and comprehensive financial planning and advice solutions, as well as bespoke investment management services to clients and their businesses.

R65.19bn Assets under Advice	R 1.09 Billion Short-term Portfolio	512 Financial Advisers	329 Franchises	300 000 + Clients
